SHAPE MORE THAN JUST A CAREER AT MITCHELL MCDERMOTT.

We're a growing company with big ideas, high standards and ambitious clients. We empower you to have a massive impact on all three.

ABOUT US

We are a leading construction consultancy offering a range of cost management, project management, due diligence and advisory services to blue chip clients in a huge variety of sectors. Working on prestige projects around the country, we're renowned for the highest standards, biggest ideas and meticulous attention to detail.

ABOUT THE ROLE

We're among the very best at what we do. You'll have the opportunity to work with some of the most talented people and deliver the very highest standards on some of the most exciting construction projects around. We are looking for a Project Quantity Surveyor to join the team. Ideally you will possess the following traits but is not restricted to:

- Relevant third level qualification within quantity surveying/ construction economics
- 3+ years' experience
- Ideally within a consultancy or developer role but others will be considered
- High level of reporting skills
- Shrewd precise eye for detail
- Excellent experience dealing with sub contractors and client side negotiations
- Experience with residential, commercial and retail projects
- Motivated individual who will go the extra mile
- An ambitious individual who is looking to develop within their career

LIFE AT MITCHELL MCDERMOTT

We are an independent, progressive, forward-thinking company that thinks differently. For you, that means an opportunity to work on the most complex, interesting client projects in a fast-paced, open and flat structure – and make a difference.

- Clients bring their biggest and most critical challenges to us. It's what gets us out of bed in the morning
- From our founders to the latest new-joiner, we're a straight-talking bunch. We challenge each other (and our clients) to get the job done well
- We give our people the freedom to take ownership of their career, work independently and make their mark on clients and the company
- Unlike other businesses, you won't be chained to your desk when you first get here – you'll be out on projects and meeting clients
- Our founders, directors and associates are 'hands on'. You'll have access to them from day one
- You'll never be on your own. We give huge amounts of support ranging from training programmes, guest lectures and weekly industry briefings to one-to-one mentoring
- Every employee's opinion counts. We have an open culture and our leaders always have time to listen, share and debate with everyone
- It's a cliché, but we're a 'work hard, play hard' team. We enjoy what we do and appreciate our people's hard work
