

COVID-19 – CONSTRUCTION INDUSTRY

Week 6 – UPDATE (13.04.2020)

CONSTRUCTION SITES

- Only 'essential' projects on site (very few)
- Restart plans worked on
- Temp layoffs started
- Back-to-work procedures being drawn up by CIF

SUPPLY CHAIN

- All non-essential deliveries ceased
- Some deliveries already en route permitted exit from port

DESIGN TEAMS

- All remote working
- Retainer fees - reviewed
- Productivity strong
- Business scenario planning underway

PIPELINE

- Projects at design stage proceeding well
- Time being spent getting projects to tender stage
- Appraisals under review

CONTRACTS

- Side-agreements being considered
- Updated legal advice based on sites closures
- Further contract notices

STATUTORY

- 3 week extension granted to planning timescales
- Up to 5 week delay on DAC applications
- Dublin Fire Brigade office now accepting applications online
